Kota Bekasi

@dengunnnn

Hello, I am Deni Gunawan, a person who is very happy to communicate, collaborates with teams, is sociable and likes to be funny. I really like learning new things in the world of Java and other technologies, I Things Work does not always have to be serious, we need to talk. by talking with **coffee** the problem will always be resolved. is that right? **I am serious.**

Pro Skills and Strengths

Java	HTML 5
Springboot	CSS 3
Maven	Javascript
JPA	React JS
Thymeleaf	Redux
Rest API	Axios
MySQL	Team Works

Deni Gunawan
